

## CONSTRUCTION & TRADE BANKING

### Designed to build your financial success.

Our expert team understands the unique challenges of the construction sector and offers tailored solutions for your business. With Orange Bank, you can build with confidence, knowing you have a trusted financial partner by your side.

### Old-Fashioned Personal Service and Industry Expertise

At Orange Bank & Trust we have provided clients with exemplary personal service for over 130 years. Our team of dedicated bankers and industry specialists are here to bring you the expert support you need to achieve your financial goals so you can help serve the community.

### Comprehensive Cash Management Solutions

Our cash management services are designed to help you optimize cash flow, make more informed decisions, and complete transactions more efficiently. Here's a few ways we can support your business:

- Remote Deposit Capture
- Online ACH & Wire Origination
- Robust Online Banking and Mobile App
- Merchant Services

### Advanced Technology and Fraud Prevention Tools

With our cutting-edge technology and powerful fraud prevention tools – like positive pay, ACH Block and Filter, Dual Approval, Multi-Factor Authentication, Personal Wire Confirmation and Account Alerts to name a few – rest assured that you are leveraging the latest in fraud prevention technology with a bank that truly cares.

### Equipment Loans and Lines of Credit\*

We know it can be difficult to find the right financing at the right speed for the equipment you need – with Orange Bank, it doesn't have to be. We offer flexible loan options tailored to address your unique needs with fast, local decision making.
